Dear Supervisors:

ACCEPTANCE OF TRACT NO. 52455-08
UNINCORPORATED SANTA CLARITA AREA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)

SUBJECT

This action provides for the approval of the final map for Tract No. 52455-08 in the Santa Clarita area and acceptance of dedications as indicated on said final map.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Make findings as follows:

- a. That the proposed subdivision, together with the provisions for its design and improvement, is consistent with the Los Angeles County General Plan as required by Article 5 (commencing with Section 65300) of Chapter 3 of Division 1 of the Government Code or any specific plan adopted pursuant to Article 8 (commencing with Section 65450) of Chapter 3 of Division 1 of the Government Code.
- b. That this project complies with the provisions of Sections 66474, 66474.1, and 66474.6 of the State Subdivision Map Act.
- c. That the development of the property, in the manner set forth on the proposed division of land, will not unreasonably interfere with the free and complete exercise of any public entity and/or public utility rights of way and/or easements within the proposed division of land pursuant to Section 66436 (a)3A(i viii) of the State Subdivision Map Act.

2. Approve the final map for Tract No. 52455-08.

3. Accept grants and dedications as indicated on said final map.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to approve the final map for Tract No. 52455-08. The subdivision of land is regulated by State law and local ordinance. Once the subdivider obtains the County of Los Angeles' (County) approval of a tentative map and complies with the tentative map/conditions of approval, the final map shall be approved and recorded.

Section 66458(a) of the State Subdivision Map Act requires approval of a final map if it is found to be in substantial compliance with a previously approved tentative map/conditions of approval. The Department of Public Works' (Public Works) review indicates that this final map is in substantial compliance with the vesting tentative map and conditions of approval that were reinstated and reaffirmed on July 26, 2005.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Community and Municipal Services (Goal 3) by coordinating with other departments to ensure that this final map is in compliance with all conditions of the previously approved tentative map.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The 109 condominium units created by the recordation of this final map provide additional property tax revenue.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to recordation, approval of the subject final map by your Board of Supervisors (Board) is required per the State Subdivision Map Act and Title 21 of the Los Angeles County Code.

This 11.80-acre tract creates four lots, which will be developed to include 109 condominium units. The subject final map has been reviewed by Public Works for mathematical accuracy, survey analysis, title information, and for compliance with local ordinances and the Subdivision Map Act. Public Works' review indicates that all State and local provisions and legal requirements have been met on this final map.

All agreements and improvement securities, which were required as a condition of the subdivision, have been accepted on behalf of the County by the appropriate official.

ENVIRONMENTAL DOCUMENTATION

On July 26, 2005, your Board approved and recertified the Final Environmental Impact Report for Vesting Tentative Map No. 52455, as revised by the final additional analysis and supplement, and certified that the Environmental Impact Report, as revised and supplemented, has been completed in compliance with the California Environmental Quality Act and State and County guidelines and the court directives in the litigation challenging the West Creek project.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

No adverse impact.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Land Development Division.

Respectfully submitted,

GAIL FARBER

Director
